Each loan marked with an \* or \*\* is open-erie credit. The balances of such loan account at the beginning of the statement period, after each new loan advance (if any), after each payment or credit (if any), and at the end of the statement period are shown in the column "Balance." Each such balance figure is determined by adding to the last prior balance of a loan account the amount of a new advance on that account, or by deducting from such last prior balance the part of a loan payment or credit on that account that is allocated to reduction of principal. The FINANCE CHARGES shown on the statement accrued from the date of the last payment and are computed by multiplying the daily periodic rate in effect for that period times each such balance figure during that period times the number of days that figure is outstanding during the period that daily periodic rate was in effect, and are deducted directly from each payment. The daily periodic rate and the annual percentage rate for loan accounts marked with \* are a variable rate which may change.

Members or co-borrowers who do not pay credit obligations in accordance with their contractual terms will have this information reported to the credit reporting agencies.

**YOUR RIGHTS AND OUR RESPONSIBILITIES AFTER WE RECEIVE YOUR WRITTEN NOTICE.** We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct or explain why we believe the statement was correct.

After we receive your letter we cannot try to collect any amount you question, or report you as delinquent. We can continue to send statements to you for the amount you question, including finance charges and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your statement that are not in question.

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right: (a) You must have made the purchase in your home state, or, if not within your home state within 100 miles of your current mailing address, and (b) The purchase price must have been more than \$50. These limitations do not apply if we own or operate the merchant, or if we mailed you the advertisement for the property or services.
